

21 October 1970

MEMORANDUM FOR: Chief, Administrative Staff, Office of Communications

ATTENTION : Chief, Personnel Branch

SUBJECT : [REDACTED] Implementation of Environmental Differential
Pay Plan, August 5, 1970

1. [REDACTED] establishes procedures and schedules of differential rates for exposure to various degrees of hazards, physical hardships, and working conditions of an unusual nature. This pay plan applies to coordinated Federal Wage Schedule personnel. Appendix J, Part 1, Paragraph 8 may be applied to contract personnel performing the work described.

2. A copy of [REDACTED] is attached to provide you with the current categories of hazards for application of the differential rates November 1, 1970. Government Agencies have for coordination a proposed category involving extreme vibration. We will keep you informed as other approved categories are made effective for unusual working conditions.
